

FOREST FRONTIERS

Chisnall Meeting information

- Please find above the map of Chisnall Hall Nature Reserve.
- We ask that you park along main road near the entrance to Chisnall Nature reserve there are a number of road side spaces near the gate which you will be able to park. This is near the smaller circle linked to the path. However the circle higher up on the image is another spot you can park and walk through the woodlands.
- We will be entering from the Chisnall Hall Nature Reserve PR7 5FY off the A49 by the smaller circle linked to the path, this is near Coppull Moor Lane. We ask that you meet us in the woods in the larger circle following the path straight up to the larger circle.
- No matter the weather we will still be continuing our sessions the only weather we would consider postponing are bad storms and high winds, so please ensure you all dress appropriately.
