

FOREST FRONTIERS

Stay and Play Croston Meeting information

- Please find above the map of Croston and Bishop Chester Wood (Croft Field) which is adjacent to Croston Old School and St Michael and All Angels Church.
- There is limited parking along the main road in Croston, alternatively if you come over the bridge and turn left there is some parking roadside along Carr Lane. From there you walk along the footpath over the river, towards the church, through the church grounds (to the right of the church) and through the gate and you will see Bishop Chester's wood on your right with the play area on your left. For Sat nav please use PR26 9RE, which should take you to Carr Lane. You should go over the tiny cobbled bridge roughly opposite the Grape's pub. (near Manor House Barn).
- No matter the weather we will still be continuing our sessions the only weather we would consider postponing are bad storms and high winds, so please ensure you all dress appropriately.

Please note – there is no vehicular access down Church Street so please either park on the main road or on Carr Lane and walk to site.
